

The Woodridge Jubilee was back this year and the Library's station was very popular. We had 750 people stop at the table, ask questions and interact with library staff. There was a lollipop tree game that 500 people played, and 625 prizes and/or consolation prizes were given out. These included Toy Story keychains, cube puzzles, Miniature Playdough, stickers and pinwheels. We also had Snoopy Loves Reading bookmarks for all. The weather was beautiful on the Saturday staff were there, which was a fortunate break in a week that had some extremely hot weather.

We are also seeing a big response to our various drawings this summer. As part of summer reading, we have an assortment of large displays in the lobby. We cannot realistically store all of these displays, so we have started having regular drawings for people to win the larger components. Our inflatable turtle drawing had 794 entries, and our giant Popsicle drawing had 665 entries. We also have started promoting the drawings and the winners in our e-news, as we realized people liked seeing the results for each drawing.
